OpenPEPPOL CC Short Introduction

The active OpenPEPPOL Coordinating Communities are as follows:

- ▶▶ PEPPOL Transport Infrastructure Coordinating Community
Focus area: On-going maintenance of the TIA and on-going sustainability of the e-Delivery network.
The CC provides a forum for all PEPPOL APs and SMPs for collaboration and knowledge sharing.
CC Leader: Sven Rasmussen - Email: svrra@digst.dk
- ▶▶ PEPPOL Post-Award Coordinating Community
Focus area: On-going maintenance and expansion of the order and invoice related specifications.
The CC provides a forum for all PEPPOL members interested in Pan- European Post Award standardization, for collaboration and knowledge sharing.
CC Leader: Soren Pedersen - Email: Soren.Pedersen@esv.se
- ▶▶ PEPPOL Pre-Award Coordinating Community
Focus area: On-going development of the Pre-Award Specifications for tendering, including the Virtual Company Dossier and the eCatalogue.
The CC provides a forum for members interested in further development of Pre-Award eProcesses.
CC Leader: Isabella Rapisarda - Email: isabella.rapisarda@consip.it
- ▶▶ OpenPEPPOL eSignature and eID Coordinating Community
Currently the community is not independently active, but members are engaged in the Pre-Award community instead.

OpenPEPPOL CC membership

Members of OpenPEPPOL are generally expected to participate, on a voluntary basis, in the activities of the communities to ensure a collaborative outcome of the work of the organization.

The members of Coordinating Communities are invited to:

- Join regular web meetings
- Attend two annual F2F meetings.
- Join work groups established by the Community
- Apply for appointments to the Change Management Board,
- Apply for appointments to the development teams and the test teams
- Participate in member reviews of development activities

Please contact the community leader or the Operating Office to join a Community and be included in the community mailing list.

Pre-Award Coordinating Community

2016 key initiatives

- ▶▶ Strategy and Operations:
 - ▶▶ To develop the PrACC further, opening up to industry providers and stakeholders to ensure growth

CC Change Management Principles

- ▶▶ Changes (RFC) in PEPPOL specifications, services and governance policies can be submitted by any PEPPOL member or be identified as a result of processes in OpenPEPPOL based on members/users needs, legal requirements and/or policy requirements.
 - ▶▶ RFCs are handled in a structured process to ensure validity, impact assessment and community value.
 - ▶▶ All CCs have established Change Management Boards (CMBs) composed of CC leaders and elected members to process and prioritize RFCs.
 - ▶▶ RFCs can be approved directly by the CMB or submitted to relevant WG/Teams for processing.
 - ▶▶ All major changes are subject to member review before adoption and release by the CMB
 - ▶▶ LCM takes relevant release policy into account e.g. migration policy for BIS
 - ▶▶ Strategic changes can be lifted to the MC and/or the GA
-

CC Development Work Group Activities

- ▶▶ Each Workgroup is owned by a member of the OpenPEPPOL management team, run by a workgroup leader and populated by OpenPEPPOL member representatives.
- ▶▶ All members are welcome to join work groups unless the group is established as an appointed taskforce.
- ▶▶ In order to join please contact the WG leader or WG owner directly. They will also be able to provide you with a copy of the mandate of the Workgroup as well as a status on on-going activities.
